How to turn off pop-ups for our Mobile App for Apple products:

1. Click on the Settings app on the home screen.

2. Find the Safari settings and look for "Block Pop-ups". Switch it from on to off.
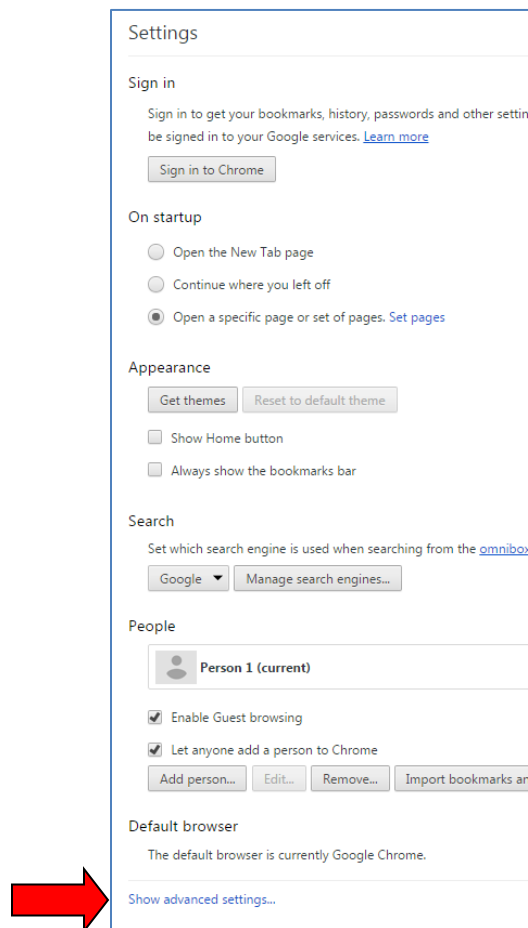

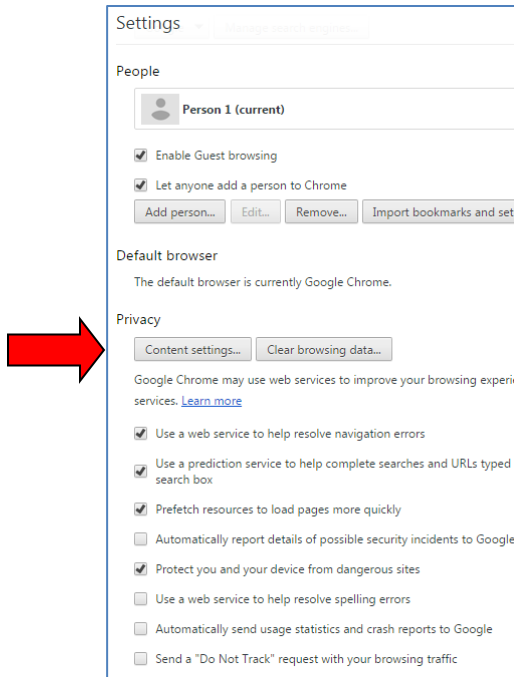

How to turn off pop-ups on Google Chrome:

1. Once you launch Chrome, in the top right corner you should see a symbol with three lines to the right of the star. Click the three lines next click Settings in the drop down list.

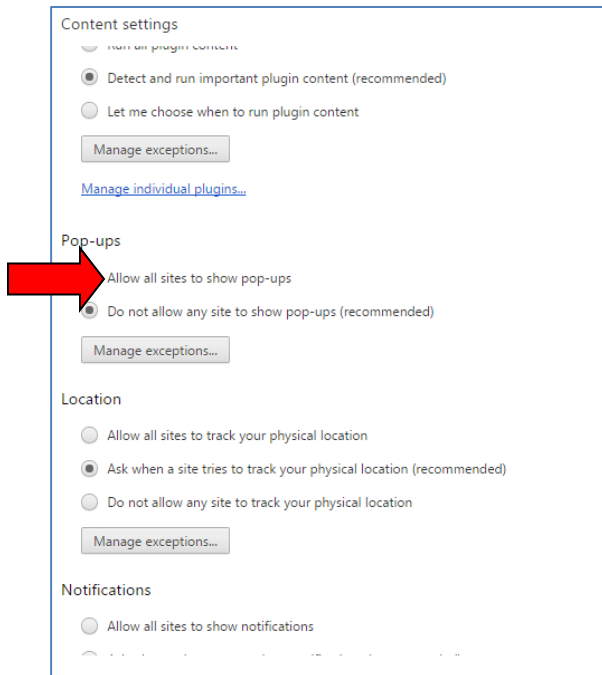

2. Next at the bottom of the settings, click on "Show Advanced Settings".

**3.** Scroll down until you see Privacy and then click on "Content Settings".
